CLASS VISION
SRC polyurethane double density

Toe Cap
UNICOMP®

Insole **DRYTECH®**

Reduction of smells.
High resistant to abrasion covering, breathable, ergonomic design for the maximum comfort.
Quick and efficient wicking system on the front side.
Insole made by polyurethane and polyester covering.
The polyurethane gives to the shoe high comfort, shock absorber resistance on the front part, and high resistance.
The insole is antibacterial, washable at 30 °C.
